Jagruti Ghuge User Experience Designer

I'm a 4th year UX designer focused on building structured, research-driven digital experiences. I translate user insights into clear, thoughtful interfaces, iterate through wireframes and prototypes with intention, and manage stakeholder feedback to keep design decisions grounded in real needs.

INTERNSHIP EXPERIENCE

Thought-Craft Innovation Lab - User Experience Intern

May 2026 – Aug 2026 · UX & innovation design studio · 4 projects across e-commerce, healthtech, nonprofit, and enterprise · On-site

- **Analyzed 5 competitors and built 3 user personas** to shape information architecture, wireframes, and high-fidelity UI for eco-commerce and physiotherapy platform.
- **Ran a heuristic evaluation across 60+ screens** on an enterprise platform (NDA), surfacing issues across 5 heuristics; redesigned 4 flows plus 6 screens.
- **Redesigned Pehchaan Tampa Bay's 7-page website,** restructuring its information architecture around finding help and donating, and adding an interactive element, a 5-question self-check-in.

Propenize — User Experience Intern

Oct 2025 – Jan 2026 · Pre-seed company · Remote

- Designed the **4-step onboarding-to-cart flow** spanning KYC, property selection, and checkout, reaching a **98% KYC completion rate.**
- **Simplified blockchain-based investment processes** into trust-driven interfaces that helped convert **200 signups into 80 paying customers.**
- Created the branding and visual identity for child venture "Propeat," supporting its early-stage launch.

OneTap — User Experience Intern

May 2025 – July 2025 · Early-stage startup · Remote

- **Built OneTap's first shop page** with real-time NFC card customisation, leading UI end-to-end from wireframes to final release.
- **Designed a customisable profile system** and growth-focused feature set for NFC card users, growing the base to **100–150** active users.

Deepastambha Charitable Trust — Volunteer

June 2025 – July 2025 · Part-time volunteer, concurrent with OneTap internship · On site · 2 weeks

- **Documented** weekly volunteer events and **designed project report** for R.O. water plant.
- **Drove outreach across 3 initiatives —** tree drives, school events (Eco Pavitrya), and a disability inclusion workshop with New Leaf Foundation. Engaging 10-20 people per event.
